## WORK EXPERIENCE

Goldman Sachs Atlanta, Georgia  
*Associate, Product Manager* Jan 2023 - Mar 2024

- Managed development and execution of product strategies for the GreenSky Integration Product Team to support GreenSky's integration into Goldman Sachs
- Collaborated with 25 cross-functional teams across all GreenSky lines of business and Goldman Sachs three lines of defense to mitigate risk and ensure timely delivery of 850+ customer-facing communications
- Drove product growth towards profitability by defining and tracking key performance metrics and using data-driven insights to develop the Servicing Product Roadmap to align and execute amongst stakeholders
- Led separation efforts to demise 30+ firmwide integrated technology systems to separate Goldman Sachs from GreenSky and stand-up individual GreenSky processes
- Managed data migration across 30+ firmwide integrated technology systems to successfully transition from Goldman Sachs to GreenSky and the Sixth Street-Led Consortium

Accenture Song Atlanta, Georgia  
*Product Owner Senior Analyst | Product Owner Specialist* Mar 2022 - Jan 2023

- Crafted epics, features, user stories, requirements, and refined acceptance criteria to prepare and run product ceremonies to redesign and launch a new Home Page, About Page, & Navigation for Accenture.com within 10 sprints
- Created the long-term technology sustainability POV for Accenture.com by collaborating with internal Accenture sustainability SME's and integrating solutions within the Product roadmap
- Collaborated with Product Managers to iteratively develop our Agile Delivery Playbook, Conceptual Model, Product Vision, Definition of Done, Product Backlog, and Component Playbook for the Accenture.com redesign project
- Led seven cross-functional teams across Development, Design, Content, SEO, Data, Experimentation, and Marketing to consistently deliver working software to Accenture C-Suite for various Accenture.com end-users
- Crafted epics, features, user stories, requirements, and acceptance criteria to prepare and run product ceremonies to deliver iterations for Wendy's Canadas' mobile app, web, & desktop channels

Accenture Strategy & Consulting Atlanta, Georgia  
*Strategy & Consulting Analyst | Strategy & Consulting Senior Analyst* Jun 2019 - Mar 2022

- Supported the largest HCM Transformation in the U.S. with implementing WorkForce Software & SuccessFactors as a change management practitioner for 90,000+ employees and 65+ various government agencies
- Led content development and hosted monthly Small Agency Townhalls for 34 government agencies and 60+ agency leaders to help prepare end-users for an SAP implementation over a six-month period
- Developed three net-new communication channels as the South SDP LAAT Communications Lead for FY22 to improve engagement across SDP by 300% by fostering engagement for a community of 90+ members
- Developed experience design team logistics, operations, and processes to execute design deliverables across 15 workshops by researching and implementing agile best practices
- Designed wall vinyl's, digital logo's, printed name-badges, PowerPoints, and digital animations using Adobe suite for 15 client workshops with two different teams of four within six months
