EXPERIENCE

GOLDMAN SACHS

Atlanta, GA

Associate, Product Manager

2023 to 2024

- Collaborated with 25 cross-functional teams across Goldman Sachs and GreenSky (FinTech company divested by Goldman Sachs), to mitigate risk and ensure timely delivery of 850+ customer-facing communications
- Drove product operational efficiency by leveraging the GreenSky operations team to develop and execute the Servicing Product Roadmap and provide an enhanced servicing experience for 6M+ customers
- Directed data migration and separation efforts across 30+ firmwide technology systems to transition from Goldman Sachs to GreenSky and the Sixth Street-Led Consortium

ACCENTURE SONG

Atlanta, GA

Product Owner Consultant

2022 to 2023

- Crafted epics, features, user stories, and refined acceptance criteria to lead product ceremonies to redesign and launch new Home Page, About Page, and Navigation for Accenture.com within 10 sprints using Adobe Experience Manager
- Conceived long-term technology sustainability POC for the Accenture.com redesign by collaborating with internal Accenture sustainability SMEs to integrate carbon emission reduction solutions within the product roadmap

Product Owner Senior Analyst

2022 to 2022

- Piloted seven cross-functional teams across Development, Design, Content, SEO, Data, Experimentation, and Marketing to deliver working software to Accenture C-Suite for various Accenture.com end-users
- Collaborated with three Product Managers to iteratively create the Agile Delivery Playbook, Conceptual Model, Product Vision, Definition of Done, and Product Backlog to implement 30+ features for the Accenture.com redesign
- Created three net-new communication channels as the South Song Development Program Communications Lead for FY22 to increase engagement by 300% for 90+ members

ACCENTURE STRATEGY & CONSULTING

Atlanta, GA

Strategy and Consulting Senior Analyst

2020 to 2022

- Supported the largest HCM Transformation in the U.S. with implementing human capital management software as a change management practitioner for 90K+ employees and 65+ various government agencies
- Led content development and hosted monthly Small Agency Townhall's for 34 government agencies and 60+ agency leaders to help prepare end-users for an SAP implementation over a six-month period
- Designed vinyl's, digital logos, name-badges, PowerPoints, and digital signage animations using Adobe Creative Cloud products for 15 client design thinking workshops over a period of six months at the Atlanta Innovation Hub
